What's Happening?

A small handful of DYC elves gathered to decorate the Yacht Club for the holidays. Wander out one evening for a glimpse of their hard work.

Please wish a super speedy recovery to Judy **Olson** who had an unfortunate day on the slopes and broke her leg.

If you have a weekday free this month, check out the great wood-fired ceramics show at Buffalo Big Print in downtown BFL featuring the work of several local potters, including Marv **Bjurlin**.

We would love to include more DYC Family highlights - the warm place you just visited or the grandchild's winning shot!

Please email us at news@dunkirkyachtclub.org for inclusion in the next Newsletter!

Did You Know...?

Did you know all members are welcome to attend Board Meetings? The opening agenda topic is "Comments from Members Attending" where if you have an idea or concern, you can share it. According to the dictionary, a club is "An association of persons for some common object usually jointly supported and meeting periodically". This is *our* club - joined together in interest of safe, fun recreational boating - and we need the full participation of all our members to be a truly spectacular club. The Board members welcome and encourage you to attend the meetings.

Members welcome to attend

Greetings, my fellow DYC-ers! Welcome to the first edition of "Wingnut Weekly", named in honor of our News Master, Paul Nichter, aka Wingnut. ...I expect this will generate several inquiries into his nickname in the months to come. 😊

We are working hard to ensure that moving forward *every* member receives a copy of these newsletters (ideally via email to save \$ and Mother Earth). As such, we will begin utilizing the Membership Database to provide up-to-date info.

Since we are employing a new process, will you please help in two ways? Double-check the Roster for accuracy. If you spot an error, contact Rich, our new Membership Chair. Second, please talk up this newsletter with the membership and ensure they received it! If not, please contact either myself or Paul so we can correct it promptly!

Ok, enough 'business'...

Have a warm, healthy & Merry Christmas!

Cheers,
Donna
