Monday-Friday
July 10-14, 2017
12 pm - 4 pm
Dunkirk Yacht Club
Cost: \$200
CRN #3271

Kids Ages 12-16

Orientation July 5, 5:30-6:30

Spend the week learning how to safely handle a small sailboat on the water. Students will learn the language of sailing, how to boat safely, the rules of boating, and how to solve potential problems that could occur on the water.

Under the watchful eye of their instructors, student teams will work together to sail 14ft. Pintail sailboats. They will put their skills to the test and learn how to work together as a team to keep the crew and vessel safe. Lessons will be held at the Dunkirk Yacht Club, Lakeshore Drive, Dunkirk, NY on Lake Erie.

Additional information:

- A swimming evaluation will take place for all students during class on July 10th. This evaluation will include the ability to tread water and swim wearing a life jacket with clothing. This is not a swimming test.
- Students will have a chance to sail on the Shark racing boats and enjoy a cookout after the race. (Details provided at a later date).
- Class requirement: a well-fitting U.S. Coast Guard approved life jacket.

Our instructors, Henry and Julie Danielson, are both members of the U.S. Power Squadrons. Mr. Danielson has taught Safe Boating for many years throughout Chautauqua County. The Danielson's have sailed all 5 Great Lakes, the Atlantic Coast of Spain, the Mediterranean, and much more.

No shows and cancellations fewer than five days prior to the class are subject to the full registration fee. Substitutions are accepted anytime. JCC reserves the right to postpone or cancel courses due to insufficient enrollment.
